## LETTER OF RECOMMENDATION

To Whom It May Concern,

I am pleased to recommend **Poorvi Sahu** for their exceptional performance during their internship with Jayadhi Limited (UK) in the months of June and July 2025.

During their tenure, **Poorvi Sahu** consistently demonstrated strong technical skills, problem-solving ability, and dedication to delivering high-quality results. Their contributions were critical in building the project within tight deadlines and ensuring smooth collaboration with a multi-disciplinary team of over 25 interns.

**Key highlights of their performance include:**

- Delivering assigned modules on or before deadlines with minimal errors.
- Showing a deep understanding of the project's objectives and aligning their work with the product vision.
- Demonstrating self-motivation, adaptability, and a willingness to take ownership of tasks.

Their professionalism and consistent performance make them a valuable contributor to any future academic or professional endeavour. I strongly endorse **Poorvi Sahu** for opportunities requiring dedication, technical skill, and collaborative teamwork
